

QuickFix – Fast solutions, to everyday problems!

Need a plumber? A babysitter? Someone to fix your Wi-Fi or repair your car? Finding reliable help shouldn't be complicated, no matter where you are.

QuickFix is **the** mobile app that connects clients and service providers **directly**. No commissions, no subscriptions, no middlemen, no additional costs. Whether you're a professional looking for visibility or someone who just needs something done, **QuickFix** is **the simplest way to get it done**.

Why QuickFix?

Unlike traditional platforms that:

- Charge providers to respond to clients
- Have limited access to certain areas
- Force users into rigid roles

QuickFix offers:

- **Freedom for professionals** — Add multiple roles, set your price and accept jobs freely.
- **Access for everyone** — Whether you're offering help or looking for it.
- **Dual roles** — Any user can be both client and provider.
- **No mandatory fees** — No commissions, no subscriptions, no up-front costs.
- **Smart distance filtering** — Connect with people **near you**, not just anyone.

Who's it for?

- **Professionals** who want to offer their services without extra costs.
- **Clients** who need trustworthy help, quickly and easily.
- **Anyone who values simplicity, speed, and control.**

The Mission

QuickFix is more than an app. It's a platform designed to empower entrepreneurship, simplify service hiring, and deliver fast, practical solutions to everyday problems. Anywhere.
